

CopiBook OS A3+

*The High Performance and
Reliable, book Scanner*

Digibook

Heritage digitization

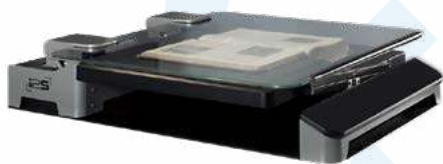

CopiBook Open System A3+

Scanners with matrix sensor

Modular Book cradle

Several choices of book cradle:

Advanced
Book cradle

Manual glass et independent trays

Professional
Book cradle

Semi-automatic glass and motorized independent trays

Ability to scan **without a book cradle**
✓ *Scanning up to A3+*

Secure pressure adjustment system
✓ *Document preservation*

Book thickness and weight: **up to 10 cm thick without glass and up to 10 Kg**
✓ *Adaptable to various document types*

Optimized Lighting system

LED lighting **without UV and IR emissions**
✓ *Document preservation*

Light **diffuser**
✓ *No dazzling light for operators*

The highest level *of image quality*

9 cm depth of field

✓ *Extended sharpness to capture every detail*

2 cameras available

✓ *Configurations to suit every need*

E-HRIS Camera

600 dpi standard
71 Mpixels

EAGLE Camera

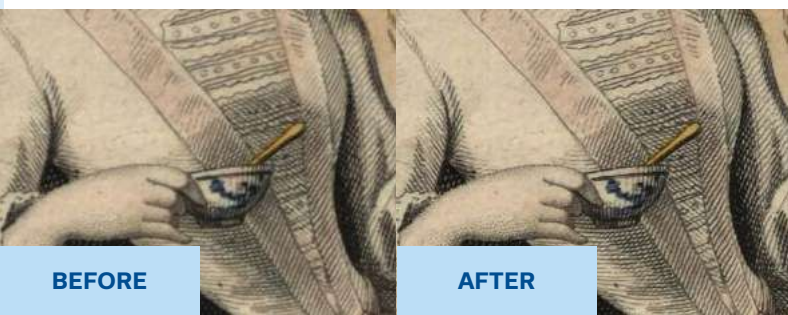

High resolution 600 dpi
71 Mpixels
BoostPic
